## **Kirkpatrick Bank Announces Addition of Stacey Huddleston As Vice President of Danforth Branch**

**EDMOND (JULY 16, 2009) -** Kirkpatrick President and Chief Lending Officer John Meyers announced the addition of Stacey Huddleston as Vice President of the Danforth branch. An Edmond resident, Huddleston brings to the position several years of experience in branch management.

“Mr. Huddleston’s career in banking spans nine years and encompasses a variety of achievements,” Meyers noted. “His expertise in branch development, retail banking and consumer lending will be very valuable as we continue to grow and develop.” Huddleston’s wealth of experience in branch management and business development has also garnered him top recognition for branch performance.

A graduate of Illinois State University with a bachelor’s in Marketing and Economics, Huddleston served in the United States Army as a Forward Observer posted to Oklahoma, South Korea and Washington. During his two years of service he earned Army Commendation and Achievement medals and was twice selected as Soldier of the Month.

Located at the northeast corner of Danforth and Sante Fe in Edmond, Kirkpatrick Bank’s Danforth branch opened in 2001. With a cutting edge, customer-oriented design and an exhibit space in the lobby, the Danforth branch currently features a bicycle exhibit from its community partner, Science Museum Oklahoma.
